

Asian Resonance

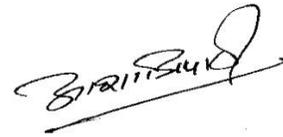

Editorial

Dear Friends,

I feel great pleasure to present this 1st issue of 2014 of Asian Resonance in your hands with good wishes for a Happy and Prosperous New Year.

According to United Nations Educational Scientific and Cultural Organization (UNESCO) education in the basis for sustainable development. Articulating the goods of Higher Education, Radha Krishnan Commission on University Education 1948-49 put it in following words , "The most important and urgent reform needed in higher education is to transform it, to endeavour, to relate it to the life, needs and aspirations of people and there by make it the powerful instrument of social, economic and cultural transformation necessary for the realization of the national goals. For this purpose, education should be developed so as to increase productivity, achieve social and national integration, accelerate the process of modernization and cultivate social, moral and spiritual values.

For last more than Three Years Asian Resonance has been performing an important role to upgrade standard of higher education with cooperation and guidance of the members of Editorial and Advisory Board and our learned author. I sincerely thank them and hope for the same in future.
